## **Butch Wlaschin**

- As Carlos said, this peer exchange is definitely a partnership between FHWA and AASHTO. I want to thank the Carlos, Jennifer Brandenburg, Ananth, and Tim Henkel for their leadership and making this peer exchange and conference a success.
- You've heard a lot about MAP-21 over the past few days...
- ...MAP-21 requires us to develop a new rule on risk-based asset management plans...
- ...we have listened to what you, the asset management and maintenance practitioners, have said about what should be included in the new rule on risk-based asset management plans.
- .....we are developing a new rule...
- With that I will turn it over to Matt Hardy, from AASHTO
