## Kickoff Exercise

# Assignment

1. Organize into 5 small groups. A panel member will be the leader of each group.
2. Walk through the instructions and begin with question 1.
3. Members of the group will answer the question and have a discussion about each question.
4. At the end of the exercise participants are encouraged to share any observations they made during the discussions.

# Kickoff Exercise Questions

1. Do you have any form of ERM in your agency? Describe what you have that resembles ERM.
2. If you were to ask the managers in your agency what risk management is, what do you think would be the most stated answer to this questions.
3. Why do you think ERM should be important to transportation agencies in general and to your agency in particular?
4. What two or three risks are you the most concerned about today?
5. If you had a magic wand and could implement your ideal ERM program instantly, what would it look like?
6. What do you think could be done nationally to advance ERM for state DOTs?
