Subject:	RE: Exemption to the Public Hearing Process for On Call Traffic Signal Installation

Since this is for an on call contractor and not for a specific project, I hereby approve the exception for public hearing or willingness in the absence of Mr. Hayes. Each new project pertaining to this overall contract shall be reviewed for compliance with the public involvement process.

Subject: FW: Exemption to the Public Hearing Process for On Call Traffic Signal Installation
Importance: High

Steve,

        Can you approve this in Sam's absence? I submitted it last week was unsuccessful in obtaining approval before he went on VAC. I need to submit this to CO this week.

UPC 96999

Project No. 9999-964-125, P101, N501

An exception to the Public Hearing Process is requested for the subject maintenance funded operations contract.

All work will be done within existing Right of Way & easements.

The project does not change the layout or function of connecting roadways or of the facility being improved.

The project does not have an unfavorable effect upon abutting real property.

The project does not have a significant social, economic, environmental, or other effect, & there has not been a

determination that a public hearing is in the public interest.
